

# 2025 RAM 1500

# THE STRONGEST RAM 1500 EVER

**THE NEW 2025 RAM 1500.** It's both an evolution and a revolution of the truck that fans have depended on for decades. It starts with a redesigned exterior, an even more sophisticated interior and two new available 3.0L Hurricane I6 engines that help make this Ram 1500 the strongest yet. An all-new Tungsten trim level delivers unique styling cues, comfort and the kind of tech that truck buyers actually use. In fact, Tungsten Offers The Most Technologically Advanced Features In Its Class<sup>1\*</sup> Most importantly, from jobsites to highways to boat launches to driveways, the new 2025 Ram 1500 is still built to serve those behind the wheel.

# TRADESMAN®

FRONT, cu ft (cu m)	63.9 (1.8)	63.9 (1.8)		
REAR, cu ft (cu m)	52.6 (1.5)	68.0 (1.9)		

### CARGO BOX DIMENSIONS

All dimensions are in inches (millimeters) unless otherwise noted.	BOX SIZE	
	5' 7"	6' 4"
SAE VOLUME, cu ft (cu m)	53.8 (1.5)	61.3 (1.7)
LENGTH AT FLOOR, TAILGATE CLOSED	67.4 (1,711)	76.3 (1,937)
CARGO WIDTH	66.4 (1,687)	66.4 (1,687)
DISTANCE BETWEEN WHEELHOUSINGS	51.0 (1,295)	51.0 (1,295)
DEPTH	21.4 (543)	21.5 (545)
TAILGATE OPENING WIDTH	60.0 (1,525)	60.0 (1,525)

Notes regarding the payload and towing charts above: numbers in **black boxes** reflect max ratings. 1. Payload and Max Trailer Weights are ESTIMATED values. 2. All weights are shown in lb unless otherwise stated. 3. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. 4. Payload = GVWR - Base Weight. 5. Trailer Weight Rating (TWR) and Tow Vehicle Trailering Weight are calculated as specified in SAE J2807. Passenger Weight = 300 lb. Options Weight is option content above 33 percent of sales volume. Trailer Equipment Weight = Class IV Hitch Receiver is 11.1 lb (if not already included in Options Weight). Trailer Hitch is 10 lb if TWR is less than or equal to 5,000 lb, and 65 lb if TWR is greater than 5,000 lb. 6. Payload and Trailer Weight Rating are mutually exclusive. 7. GAWRs, GVWRs and GCWRs should never be exceeded. 8. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 1,100 lb. 9. Weight-Distributing Hitch is recommended for trailers over 5,000 lb.

1 Based on advanced technology features offered. Class based on FCA US LLC Large Light-Duty Pickups and the latest available competitive information. Excluding BEVs. 2 Check state and local laws regarding the use of remote start systems. 3 Always sit properly in designated seating positions with seat belts securely fastened at all times. 4 Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. 5 Always check entire surroundings visually before proceeding. 6 This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 7 Always check visually for vehicles prior to changing lanes. 8 This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 9 Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. 10 Lone Star model available only in Texas. 11 SiriusXM with 360L is only available on select vehicles. Certain features and/or content may not be available unless an active data connection is enabled in the vehicle. Content varies by subscription plan. Features and display may vary by vehicle. 12 Vehicle must be locked and system activated for alarm to sound. 13 Never operate the vehicle with the seats reclined to the extent that the seat belts are not secure and flat against your torso. 14 This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. 15 Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. 16 Max payload/towing ratings shown are for base configuration. Additional options, equipment, passengers and cargo weight may affect payload/towing weights. Contact dealer for details. 17 Assumes properly equipped vehicle and 150-lb allowance for driver. Additional options, equipment, passengers and cargo weight must be subtracted. Contact dealer for details. 18 All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at [www.siriusxm.com](http://www.siriusxm.com) for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit [www.siriusxm.com/FAQS](http://www.siriusxm.com/FAQS) for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change.
